Welcome to Pender Island. Our island has a fragile ecosystem and can be very dry in summer. Here's how you can help protect this special place: Conserve water, keep dogs under control, and never feed wildlife. Do not smoke in parks and on trails. Please pack out all your garbage. There is no collection at our parks. Dispose of garbage at the Medicine Beach Centre depot. Our roads are narrow and winding—use caution when walking or cycling. And don't forget to slow down... you're on island time.
